To Potential Sponsors,

We are pleased to invite you to the upcoming meeting in Copenhagen.

The collaboration group on LUTD (lower urinary tract dysfunction) was established in 2008 and is a part of the Nordic urological association. It is a none profit committee of urologists from all Nordic countries. The purpose of LUTD is to organize educational meetings in the Nordic countries for urologists emphasizing the latest updates in the field of functional urology.

The meeting will take place at the Hotel Phoenix Copenhagen from January 31st - February 1st 2020 bringing Copenhagen attractions to your doorstep. The meeting attendees will predominantly be urologists from Denmark, Finland, Iceland, Norway and Sweden.

Topic of this meeting will be "the price of the cure of cancer". We will focus on treatment of long-time side effects after cancer treatment.

Keynote international speakers will be Professor Anthony Mundy, London, GB and Professor Frank van der Aa, Leuven, NL, and they will together with Nordic speakers present their experience with the handling of long-time side effects of cancer treatment.

We look forward to hearing from you.
